We request this information to assist with placing neutral umpires on the night and to ensure that clubs are providing umpires. We ask that this form is returned before the start of the summer league – if you do not have all weeks covered then please send what you have arranged. You can notify the missing weeks once you have confirmation of an Umpire.

IMPORTANT NOTE -All teams entering WSN league must register an umpire on their team sheet with EN aff no. It is your team's responsibility to supply an Umpire, if no Umpire is supplied, your team penalty will be as follows: Should a team not provide an umpire or provide an unsuitably qualified umpire (as decided by the umpiring Secretary) they will forfeit their match or lose points.

Thank you
